- 2003 -:** Research Director DR1 INSERM, Director of the INSERM Research Unit U691 entitled: «Central Neuropeptides and the Regulation of the Body Fluid Homeostasis and Cardiovascular Functions», at the College de France, now integrated in the CIRB-Collège de France-INSERM U1050- CNRS7241
- 2017:** Research Director INSERM (outstanding class), and since 2021, Research Director Emeritus at the College de France

SCIENTIFIC MEMBERSHIP

- Vice-President of the French Society of Experimental Neuroendocrinology
Member of the French Society of Neurosciences and of Biology
Member of the French Society of Hypertension
Member of the French Society of Cardiology
Member of the Society for Neuroscience – USA
President of the Scientific Committee of the Cardio-Vascular Research Foundation, Institut de France

EDITORIAL ACTIVITY

- Since 1999: Member of the Editorial board of the Journal NEUROENDOCRINOLOGY
2002-2013: Editor-Reviewer of the JOURNAL OF NEUROCHEMISTRY

PRIZE AND DISTINCTIONS

- 1981:** Prize of the Medical Research Foundation - Neurobiology
2002: Prize of the French Academy of Sciences (Pierre Desnuelle) - Molecular and Cellular Biology
2006: Recipient of the Jacques Benoît Lecture, International Congress of Neuroendocrinology Pittsburgh, USA
2009: Prize of the Foundation of the Société Générale Asset Management for Therapeutic Innovation
2012: Danièle Hermann Prize awarded by the Fondation Recherche Cardiovasculaire- Institut de France
2012: Notification and award for outstanding scientific activity from the INSERM Research Institute
2013: Named Knight of the French Honor Legion (Ministry of Health)
2014 : Galien Price France 2014 (Section Research)
2021 : Award: 2021 International Society of Hypertension Honour for Senior Women Researchers
