

Peifeng Li

Education

1990-1993: Doctoral degree, Chinese Academy of Medical Science

1986-1989: Master degree. Hebei Medical University

Positions

2017-present. Director, Key Laboratory of Nucleic Acid Biology in Cardiovascular Disease, Shandong

2017-present. Director, International Research Centre for Non-coding RNAs and Translational Medicine, Qingdao.

2014-present. Dean, Professor, Institute of Translational Medicine, College of Medicine, Qingdao University, China.

1995-2005. Medical researcher, Max-Delbrück-Center for Molecular Medicine, Germany

1993-1994. Assistant Professor, Chinese Academy of Medical Science

Grant Reviewer (selected)

2021 Grant Reviewer for France Science Foundation

2020 Grant Reviewer for The European Research Council

2018 Grant Reviewer for Austria Science Foundation

2011 Grant Reviewer for The Netherlands Organisation for Health Research and Development

2005-present Grant Reviewer for China National Science Foundation

Abstract Reviewer

18th Annual Meeting of the Society for Free Radical Biology and Medicine, USA

17th Annual Meeting of the Society for Free Radical Biology and Medicine, USA

Membership (selected)

2022-, European Academy of Sciences

2018-, Council member, Shandong Society for Cell Biology

2007-, American Heart Association, USA

2007-2008, Sigma XI, The Scientific Research Society, USA

Editorial board member (selected)

Clinical & Experimental Cardiology

Journal of Cardiology and Therapy

International Journal of Clinic Cardiology

Journal of Clinical Research

Journal of Geriatric Cardiology (2008-2015)

Associate editor

Molecular Biotechnology (2021-present)

Frontiers in Physiology-Redox Physiology (2021-present)

The Organizing and Scientific Committee of Conferences (selected)

Member. 7th China Wine City International Cardiovascular Congress. 2021

Chair. Annual conference on cell biology, Shandong, China. 2018

Chair. Basic science, Health Exchange and Cooperation across the Taiwan Straits. 2018

Member. 5th International Conference on Clinical & Experimental Cardiology, Philadelphia, USA. 2015

Member. 4th International Conference on Clinical & Experimental Cardiology, USA. 2014
